Providers are eligible to apply for funds to support social and/or emotional development and well-being of the children in their care. These funds should be used to help the provider reach a specific coaching goal and applications should be filled out by the provider and coach together. Social & Emotional Enhancement Grant funds can be used for anything that will enhance the children's social and/or emotional experiences while in care. There are funds set aside for each Rooted in Relationships community. As coaching goals change, a provider can apply for additional funds. Applications are reviewed on the 1st Monday of each month.

Allowable items are:
Training: Including, but not limited to, specialized staff training (i.e. infant brain development, social-emotional early learning guidelines training, etc.), workshops, conferences, consultant fees, or a substitute to cover the classroom while the provider attends training. Does not cover transportation or lodging to attend.
