## **Directions for Completing Budget Justification**

**Personnel** — List each position by title. Show the annual salary rate and the percentage of time to be devoted to the grant. Compensation paid for employees engaged in grant activities must be consistent with that paid for similar work within your organization. List only the employees of the applicant organization; all other grant-funded positions should be listed under the “Contract/Consulting” category.

**Benefits and Payroll Taxes** — Payroll Taxes Include costs of benefit(s) for the project staff. Identify the types of fringe benefits to be covered and the costs of benefit(s) for each staff position. Allowable fringe benefits typically include FICA, Worker’s Compensation, Retirement, SUTA, Health and Life Insurance, IRA, and 401K. You may provide a calculation for total benefits as a percentage of the salaries to which they apply or list each benefit as a separate item. If a fringe benefit amount is over 30%, please list covered items separately and justify the high cost. Holidays, leave, and other similar vacation benefits are not included in the fringe benefit rates, but are absorbed into the personnel expenses (salary) budget line item.

*Ex. Fringe benefit rate = 28%: Direct Salaries of \$42,000 x .28 = \$11,760 in Fringe Benefits*

**Office Operation Expenses** — List items (e.g., phone, Internet, rent, insurance, software licensing, equipment leases) by major type and show how you calculated the costs. For example, for rent, provide the square footage and the cost per square foot or a monthly rental cost and how many months of rent are proposed.

**Travel** — Itemize travel expenses for project personnel by purpose (e.g., staff to training, field interviews, advisory group meetings). Show how you calculated these costs (e.g., six people to 3-day training at \$X airfare, \$X lodging, \$X meals). In training projects, list travel and meals for trainees separately. Show the number of trainees and the unit costs involved. Identify the location of travel, if known. Indicate the source of any travel policies you have applied, and if applicant or federal travel regulations apply.

**Equipment** — List nonexpendable items that are to be purchased. Nonexpendable equipment is tangible property having a useful life of more than 2 years and an acquisition cost of \$5,000 or more per unit. (Note: An organization’s own capitalization policy may be used for items costing less than \$5,000.) Explain why the equipment is needed for the project to succeed.

List expendable items in the "Supplies" category.

List rented or leased equipment costs in the "Office Operation Expenses" category.

**Supplies** — Include the funds for the purchase of consumable supplies and materials that do not fit the definition of Equipment. List any single item costing \$1,000 or more. Applicants should provide the calculation for cost determinations.

*Ex. Consumable office supplies (e.g. paper, pens) @ \$250 and conference supplies (name badges, table tents) @ \$320 for a total of \$570*

**Training and Outreach** – List activity (e.g., training, professional development, parent education/engagement). List items (e.g., registration fees, website development, marketing expenses, training materials, meeting expenses) by major type and show how you calculated the costs.

**Contract/Consulting** — Refer to the contract regarding agreed upon process for subgranting/subcontracting.

- Contracts: Describe the product or service to be procured by contract and provide an estimate of the cost.
- Consultant Fees: For each consultant, enter the name, if known, service to be provided, hourly or daily fee (8-hour day), and estimated time on the project.
- Consultant Expenses: List all expenses to be paid from the grant to the individual consultant(s) in addition to their fees (e.g., travel, meals, lodging).

**Other** — If applicable, list and describe any expenses that do not fit into the specified categories identified.

**Administrative Expenses** — When applicable, administrative costs as allowable to ensure outcomes are achieved.
