

Nebraska Early Childhood Professional Record System (NECPRS)

How to create an account and sign up for trainings

1. Go to <https://necprs.ne.gov/home> and click "Sign Up" if you have not registered for an account. Once you have an account, sign in using credentials to the right.

The screenshot shows the homepage of the Nebraska Early Childhood Professional Record System (NECPRS). The page is divided into two main sections. On the left, a dark blue banner contains the text "With a NECPRS account you can..." followed by a list of benefits: "Build your professional record.", "Organize credentials and certificates.", "Discover relevant local trainings.", "Manage your program and employees.", and "Join Step Up to Quality." Below this list is a white "Sign Up" button, which is circled in red. On the right, the NECPRS logo is displayed at the top, followed by a "Log In" section. This section includes input fields for "Email" and "Password", a blue "Log In" button, and a "Forgot Password" link. At the bottom of the page, there is a partial view of a photograph showing a person's head and shoulders in a classroom setting.

- One you are logged in and your account set up is complete, it should take you to this screen. Everyone has their own individual NECPRS ID. Click on Training Calendar to access trainings.
